Jane Hennie, Commissioner
Food & Drug Administration HFI
5600 Fishers Lane, Rm 1471
Rockville, MD 20857

Dear Ms. Hennie,

I am shocked and distressed to hear that our fruits and vegetables are being genetically altered and that we as consumers are not, given any choice about it. It is unacceptable that these foods are not labeled and that we have no control over the foods we eat. I implore you to set the situation right.

Sincerely,

Charise Windley
